## MADES COSMETICS

Founded in 1992, in The Netherlands, Mades Cosmetics is an international company, manufacturing skin, body and hair care products. Comprising 2 major brands, 11 product lines and over 400 individual products.

Customers are encouraged to enjoy products that embody the sentiment 'a good life need not to be an expensive one'. Today our products are distributed from The Netherlands and shipped across the globe to North and South America, Europe, Oceania, Africa and Asia.

A cosmetic manufacturer thriving on quality and innovation Mades Cosmetics has mastered advanced production processes in the same way as the larger manufacturers, allowing consistently high standards, whilst remaining flexible in accommodating suppliers.

Our use of cutting-edge technology and high-level research, is paramount when it comes to discovery of specific product formulas and active ingredients suitable for a variety of consumers.

High quality remains top priority. Our self-owned factory ensures effective control of all productions, maintaining consistent excellency throughout every level of fabrication. State-of-the-art technology is the driving force behind Mades Cosmetics. We have a professional R&D team, a pioneering laboratory and strive to hold the leading position in innovation and R&D advance scientific formulations. When manufacturing skin body and hair care products we pride ourselves in omitting chemical ingredients such as preservatives, flavours and pigments that cause irritation or skin damage. All our products and gift sets are produced in our GMP certified factory in The Netherlands.

In 2014 Mades Cosmetics won the anti-ageing Skin Care award at Cosmeeting, Paris for SKINNIKS anti-ageing day cream INTENSE REPAIR.

### Aesthetic creativity, underlining innovative product design

Our individual, distinctive packaging and product combinations are synonymous with Mades Cosmetics. The countless designs, a dazzling array of product choices, colours and patterns have something to match all manner of moods, styles and surroundings.

Functional, yet innovative our products appeal to a broad consumer market.

We also provide real-time professional advice to retailers. In fact, Mades Cosmetics has dedicated the past 28 years towards manufacturing high quality products, ensuring peace of mind for conscientious consumers.

Whether you are reading this as an old or new customer, we stand committed to offering you a dedicated service ensuring a long-term successful business relationship.

# STACKABLE

The rich, foaming body washes are colourant free, have a strong yet pleasant aroma and leave the skin silky soft. The body milks, also without colourants, absorb easily and quickly into the skin, thanks to their light, non-grease formulations.
