FORMULATION DESCRIPTION

Body wash

A rich foaming product that effectively cleanses the skin. The added Glycerin helps the skin to stay soft and does not dry out the skin.

Body lotion/Body milk

Smoothing, moisturising and quickly absorbed by the skin without a greasy after-feel. The added Glycerin helps the skin to stay soft and moisturised.

Body sugar scrub

An effective body cleanser and caring formulation. The sugar crystals remove dead skin cells, so new skin cells come to the surface which results in a radiant skin. The added Glycerin and Shea butter helps to smoothen the skin.

Body butter

Rich and nourishing formulation intensively moisturises the skin. This butter cream is ideal to soften, smoothen and condition the skin. The high levels of Glycerin and Betaine nourish and help the skin to stay soft and moisturised.

Hand cream

Moisturising and nourishing formulation. Emulsion is absorbed by the hand's skin quickly without a greasy after-feel. The added Glycerin helps the hands to stay soft and moisturised.

Shampoo for greasy hair

Gentle shampoo designed to detoxify the hair from root to hair end. This lightweight formula infused with algae extract has been designed to remove greasiness and to boosts volume and natural hair dynamics.

Conditioner for greasy hair

Designed to condition the hair without building up greasiness by silicones. The lightweight formula with algae extract provides superior conditioning effects, body and fullness to the hair.

Shampoo for daily use

Nourishing shampoo designed to use every day without building up greasiness by silicones. The special formula enriched with aloe vera moisturizes and nourishes the hair and makes it soft and vital.

Conditioner for daily use

Nourishing conditioner designed to use every day without building up greasiness by silicones. This lightweight formula infused with aloe vera extract nourish and condition the hair without compromising the natural hair dynamics.

FORMULATION DESCRIPTION

Volumising shampoo

Designed to clean the hair from root to hair end. This lightweight formula with organic oat extract boosts volume, body and fullness while offering smoothness, without weighing down your hair.

Volumising conditioner

Designed to condition the hair and to lift fine hair from the root to the hair end for added body. The lightweight formula with organic oat extract boosts volume, body and fullness while providing shine and smoothness.
